Conference Costs for F&B and AV 2018-2024

For the 2025 Conference & Expo...

- **The estimated costs for this year's Conference & Expo are:**
 - **Food & beverage = \$150,000**
 - **Additional services and taxes = \$48,648**
 - **For a total cost of \$198,648**

Ever wonder where your Conference money goes?

Depending on location...

A gallon of coffee costs
\$149 (16 cups per gallon)

A boxed lunch costs
\$79.45

A continental breakfast costs
\$58.27 per person, per day, just for
breakfast breads & coffee

A buffet dinner with one drink
ticket costs between \$122 and
\$238.50 per person

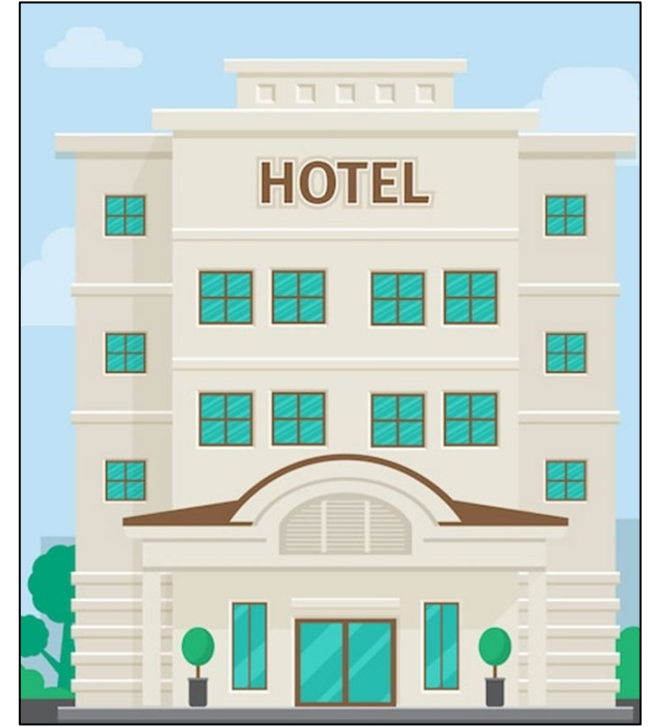

Sodas cost \$7.94 each

Did you know that?

- The standard room rate for a regular hotel guest is approximately \$515 (plus tax) per night **vs.** \$215 (plus tax) per night for NCRA attendees.
- The NCRA registration fee* and room rate for the 2025 NCRA Conference & Expo are **GREAT BARGAINS.**
- Hotels charge for easels, podiums, room keys, and power.

** Family members are not included in the NCRA registration fee and are therefore not included in the refreshment breaks and breakfasts. All rates include 25% service fee and 6% sales tax.*

Did you know this about the Speed & Realtime Contests?

- The 2019 National Speed & Realtime Contests cost NCRA **\$7,250**. *(Does not include cost of box lunches and breakfast for the graders or Awards luncheon tickets.)*
- The 2024 National Speed & Realtime Contests cost **\$9,900**. *(Does not include cost (approx. \$2,800) of box lunches for the contestants, graders, breakfasts, or Awards luncheon tickets.)*

The Contests have drawn only one sponsor in the past five years.

Snapshot of savings

- **The Firm Owners' Focus held at Conference in 2023 and 2024 has been eliminated for 2025.**
- **Due diligence is done by sending Requests for Proposals (RFPs) when contracts expire to ensure reputable and professional vendors are secured at the best price possible.**
- **NCRA has consolidated its footprint to include a better use of time, expenses, and space by holding session on Thursday afternoon at Conference rather than Sunday mornings.**
- **The *JCR* print magazine has been reduced in size by 32 pages.**
- **Changes to the Realtime & Speed Contests that have reduced costs include elimination of the Tuesday practice session, holding both contests on the same day, and eliminating the need for box lunches for Speed contestants.**

Did you know this about Conference?

- The registration cost to take an in-person test does not cover the cost to host the event at Conference.
- Hotels charge between **\$20 and \$42** per power strip to rent, not including the **24% service fee, 6.8% tax**, and labor costs to install, plus internet, which can cost up to **\$200** per day.
- A total of 120 power strips were used at the 2024 Conference
- In 2024, **\$1,220** was spent on power cords for 36 members who tested onsite.

Costs will continue to climb

According to the International Monetary Fund, nonfuel commodity prices are expected to increase by 2.5 percent in 2025, due to upward revisions to food and beverage prices.

Jan. 24, 2025

The impact of inflation on hosting a Conference

- According to the 2024 State of the Meetings Industry Meeting Planner Survey, the cost of Food & Beverage and Audio/Video services have increased by 50 percent in the last year.
- Inflation has also increased the cost of:
 - ✓ Guest rooms
 - ✓ Meeting technology services
 - ✓ Meeting space

Did you know this about the NCRA A to Z[®] program?

- The NCRA A to Z Intro to Steno Machine Shorthand program hosts two virtual open houses each year, free of charge, for those interested in court reporting to learn more about career opportunities.
- The NCRA A to Z Program Coordinator position was not budgeted for, and the salary is an added expense.
- This position has supported a program in all aspects, which has seen more than 800 certificates earned in 2024.

Did you know this about the NCRA A to Z[®] program?

- More than 1,000 people registered in 2024 for an NCRA A to Z program and received individual and personal responses to inquiries regarding setup, the platform, and next steps, as requested.

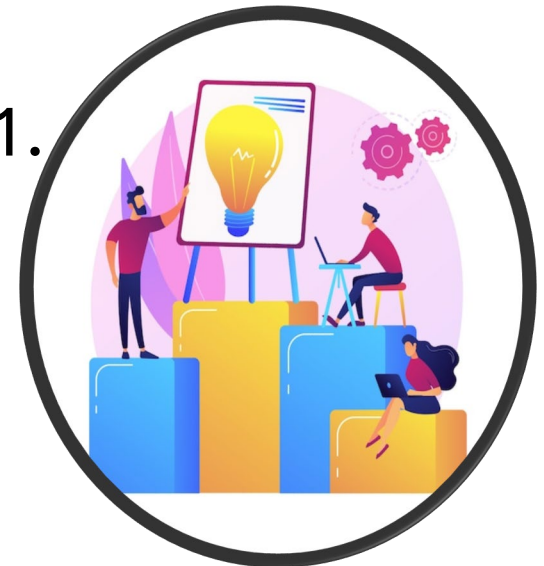

Did you know this about the NCRA A to Z[®] Program?

- NCRA has expanded headquarters A to Z offerings to ongoing, on-demand registration throughout the year in addition to three sessions with Live Zoom.
- Each Live Zoom session requires approximately 15 after-work hours for staff, equaling up to 45 hours per calendar year!
- With continuous enrollment in the NCRA A to Z Asynchronous program, staff manages enrollments and participant engagement from January 1 to mid-December, supporting almost the entire 52 weeks of the year with **FREE** course support and material for participants. In addition to the Asynchronous program, three live sessions are also offered, meaning during approximately 20 weeks of the year, staff is managing both the Asynchronous and Live program simultaneously.

Here's a look at Professional Development

- Approving events, qualifying programs, and processing certification renewals used two full-time staff and one part-time staff in 2010. In 2025 it is now handled by only one full-time staff.
- Prices for submitting continuing education **have not** increased since 2020.
- Prices for *JCR* article tests **have not** increased since 2021.

Here's a look at Professional Development

- The Learning Center offered **31 free webinars** for members in the last three years. This included free webinars for students, teachers, and mental health.
- Each time a webinar is held, it takes three hours of staff time the day of the event, not including recruitment, advertising, and behind-the-scenes work, to host the event.

Here's a look at Professional Development

Approximately 50 staff hours per week in the Professional Development Department are dedicated to:

- **Administering free programs, scholarships, virtual mentoring, membership, and much more!**
- **The NCRA A to Z Intro to Steno Machine Shorthand program, committee, and A to Z Leaders**
- **CAPR = Fellows of the Academy of Professional Reporters (FAPR)**
- **CASE = scholarships & school reviews**
- **Student/Teacher Committee = virtual mentoring & membership**
- **Education Committee = Conference content**

Here's a look at NCRA Certification

It takes **three** full-time staff to handle development, administration, and research for NCRA's **eight** national certifications:

RSR, RPR, RMR, RDR, CRI, CRR, CRC, CLVS

Here's a look at NCRA Certification

- **More than 3,400 Skills Tests are offered each year.**
- **More than 350 Written Knowledge Tests are offered each year.**
- **Two in-person testing & training events for the CLVS are offered each year.**

Here's a look at NCRA Certification

- NCRA staff oversees the development, recording, and implementation of more than 50 new Skills Tests annually.
- Members of the Professional Development Team serve as liaisons to five testing committees (WKT, SKT, TAC, CRC, CLVS), plus ad hoc task forces and committees.
- The cost for Skills Test bank development, professional recording, and editing for the RSR, RPR, RMR, CRR, and CRC combined is **\$11,000** annually.
- The cost for development, maintenance, and administration of Written Knowledge Tests is \$50,000.
- The cost to update the Job Task Analysis for the RPR, RDR, and CLVS is **\$25,000** each.

Rising costs have impacted the price of testing

Student testing fees were:

- \$77 per leg in 2019
- \$82 per leg in 2022
- \$86 per leg in 2024
- \$90 per leg in 2025

These fees reflect increases in service costs for test, proctor providers, and graders.
